PROPOSED METER LOCATION

The meter needs to be inside your property line and accessible for reading, servicing, etc. The following information will assist us in locating your property.

NAME: _____ **PHONE:** _____

MAILING ADDRESS: _____

Email Address: _____

The property where I am requesting service is located in which county:

(Circle One) COLEMAN CALLAHAN BROWN
RUNNELS TAYLOR

Abstract Name & Number: (located on tax receipts) _____

Meter to be placed on property frontage of: Hwy # _____ or CR # _____ or PR # _____

Directions to the property: From intersection of _____ and _____ Go (use car odometer to give approximate mileage) _____ miles on _____ and _____

Below are some things which might be of assistance, please fill in to the best of your ability. If names are unknown to you about your neighbors, fill in with descriptions. (For example: white house across the road, red metal roof, etc.)

Neighbor to South: _____

Neighbor to North: _____

Neighbor to East: _____

Neighbor to West: _____

Please draw and/or attach a map of your property, indicating approximately where your meter stake is located. Thank you for your efforts in this matter. Any help will be greatly appreciated! Please make sure your homemade stake and flag have "water meter" marked on it and are very distinct so that we can see them from the road. Please stake your **(proposed meter location)** as soon as possible and check to make sure it remains in position until a meter box is in place.
